AISWARYA VINOD

Frontend Developer | JavaScript & Angular Engineer

📞 +48698995950   @ aiswaryavinod066@gmail.com   📍 Łódź   https://www.linkedin.com/in/aiswarya-vinod-662b64195/

SUMMARY

Front-end Developer with **3+ years** of hands-on experience building dynamic, scalable, and responsive web applications using **Angular 15+, JavaScript, and TypeScript**. Skilled in crafting intuitive user interfaces, optimizing performance, and ensuring seamless API integrations. Proficient in ES6+ standards and experienced in Agile development, CI/CD workflows, and modern DevOps practices. Passionate about clean code, collaborative development, and delivering impactful, user-centric solutions.

Currently based in Łódź, Poland, and eligible to work full-time with a valid Temporary Residence Card (TRC).

EXPERIENCE

Technology Analyst

Infosys Ltd

📅 06/2023 - 04/2024   📍 India

- Developed custom Angular applications tailored to specific client needs, following component-based architecture principles.
- Integrated REST and GraphQL APIs for seamless data synchronization.
- Executed automated testing with Jest and Playwright, increasing test coverage by 40%.
- Utilized Node-RED for backend service mocking, improving development efficiency.
- Contributed to Magnolia CMS integration, helping reduce content update time by 60%.
- Implemented accessibility best practices ensuring WCAG compliance across major UI modules.
- Collaborated with the UX team to redesign key user flows, improving user task completion rates by 25%.
- Provided client demos, participated in Agile/Scrum ceremonies, and collaborated in code reviews.

Senior Systems Engineer

Infosys Ltd

📅 12/2022 - 05/2023   📍 India

- Designed and implemented UI architecture for an internal billing application using reusable components.
- Improved requirements accuracy by 25% by collaborating with 10 stakeholders, including managers and finance teams.
- Integrated CI/CD pipelines and Dockerized applications to streamline deployments.
- Mentored junior developers, boosting team productivity and onboarding speed.

SKILLS

Frontend Development
Angular 15+, HTML5, CSS3, Typescript, JavaScript, React.js, SCSS

API Communication
REST, GraphQL

Debugging tools / Testing
Cypress, Karma, Jasmine, Jest, Playwright

Version Control
Git, GitLab, GitHub, Jira, Target Progress

Cloud & DevOps
Azure DevOps, AWS, CI/CD Pipelines, Docker

Soft Skills
Effective Communication, Problem-Solving, Time Management, Team Collaboration, Leadership, Adaptability

EDUCATION

Bachelor of Technology in Computer Science and Engineering

Kerala Technological University (KTU)

📅 06/2016 - 05/2020   📍 India

- GPA: 7.49/10

CERTIFICATION

Infosys Certified Angular Professional

Infosys Certified Front End Developer

HackerRank Angular Certification (basic & intermediate)

HackerRank JavaScript Certification

HackerRank Frontend Developer (React)

Hacker Rank React Basic Certification

EXPERIENCE

Systems Engineer

Infosys Ltd

📅 11/2021 - 09/2022 📍 India

- Leveraged Angular, HTML, CSS, and TypeScript to develop intuitive and responsive user interfaces.
- Integrated UI components with back-end services through REST APIs, ensuring real-time data synchronization.
- Collaborated with QA and SDET teams to identify, log, and resolve 30+ production defects, reducing bug count by 40%.
- Played an integral role in daily stand-ups, communicating progress and addressing project challenges.
- Employed JIRA for task tracking, defect management, and sprint planning to ensure efficient workflows.
- Optimized UI components for cross-browser compatibility and mobile responsiveness.
- Engaged in Agile ceremonies and contributed to sprint planning and execution.

Systems Engineer Trainee

Infosys Ltd

📅 03/2021 - 07/2021 📍 India

- Completed training in Angular, TypeScript, JavaScript, and DevOps tools.
- Gained practical experience in responsive design, Agile workflows, and sprint retrospectives.
